

## SUMMER 2021 NEWSLETTER

July/August, 2021  
Volume XL, Issue 7

*"I believe that I shall see the goodness of the Lord in the land of the living. Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!"*

Psalm 27:13-14

Dear Members and Friends of the Victor Presbyterian Church,

This summer is a unique time of planning and preparation. In one sense that is true for every church each summer, but with the lifting of mandates following the COVID-19 pandemic this is especially true this summer. Behind the scenes work this summer you may or may not know about includes: Session and Deacons taking a needed break in July, Sunday School and Christian Education assessing and determining curriculum for the Fall, a search for a Director of Choirs and Nursery Attendant, Vital Congregations getting a fresh look and start, the resuming of Coffee hour thanks to our Deacons, and a couple of outdoor worship opportunities as well as joint worship with the Victor United Methodist church, plus more. These are the good things we should be doing as a church, and these allow us to plan a trajectory for the future in line with who we want to be as a church community. This discussion of our direction as a church community is ongoing, and especially as we lean more into the Vital Congregations Initiative this Fall, we will start the good work of learning and discerning who we are and who we are called to be. This also means a lot of patience, waiting, and wondering about what is to come. I encourage you with the Psalmists words, "wait for the Lord; be strong, and let your heart take courage; wait for the Lord." Certainly, the Psalmist wasn't talking about communal discernment, but instead deliverance from adversaries, however I believe it still applies. It will take courage, patience, and inner fortitude to do the hard work of communal discernment!

## FROM PASTOR NICK (CONT.)

A personal update about my own calling and wondering what God has for my future includes my going back to school for more training. The Session and Deacons know this and probably a few others that I have told in conversation, but for the rest of you this is news you probably haven't heard yet. I applied, was accepted, and will be starting a part time master's level program at St. John Fisher College in September. I have long felt that many of my giftings and skills align with Mental Health Counseling, and I will be taking coursework towards a M.S. in Mental Health Counseling. This is a 3-year program part time, which means 6 credit hours per semester of coursework. This will only minimally affect my work/time as your Pastor as classes are held Tuesday afternoon/nights. Session, Deacons, and Worship Committee have all agreed to move the day and time of meetings to accommodate this for me.

*"From the rising of the sun to its setting, the name of the Lord is to be praised."*  
*Psalm 113:3*

PASTOR- [pastor@victorpres.org](mailto:pastor@victorpres.org)

This is not yet a change of job or career for me; I will still be your Interim Pastor and remain committed to my work here.

This is another part of my calling, vocation, and personal goals, and I am eager to begin learning and applying what I learn to my work here. I have talked about and been a supporter for so many in Pastoral Counseling as well as in Mental health awareness and treatment. I personally feel called to help combat the stigma around Mental Health especially as it relates to Christian faith and the Church.

Please ask any questions you may have, join me in prayer, and be patient with me as this is a new, exciting, and somewhat nerve-wracking adventure. I already feel the love and support of this congregation for who I am and for the ministry I can and do provide, and I know I will continue to feel support from you in this endeavor as well. Our health as Christians and humans is holistically intertwined; that means only when we are healthy in body and mind are we able to grow spiritually. I pray for all of you that you may feel comfortable as well as courageous to seek health in all areas of your life, and I would love to be here on that journey with you when you feel ready to meet and/or speak with me.

May God's peace be with you all this Summer,

Pastor Nick

*“Shower, O heavens, from above, and let the skies rain down righteousness; let the earth open, that salvation may spring up, and let it cause righteousness to sprout up also; I the Lord have created it.”*

## VOCAL & BELL CHOIR & NURSERY

The Session is currently considering filling two positions; **Choir Director and Nursery Attendant**, to start in September. If you know of someone that may be interested or if you are interested in either position, please reach out to Pastor Nick for additional information.

Are you interested in being part of either choir this Fall? A survey is included in the weekly eNews, or you can email the office responding to these questions:

- Are you interested in vocal choir or handbell choir? Or both?
- If the choir were to perform only once or twice per month, would you be more likely to take part?
- Are you available Wednesday evenings for practice, as well as Sunday mornings?

Thank you for considering, and we appreciate your feedback.

## MAGGIE'S KIDS

A big thank you to all those who helped support Maggie's kids this week with food/money contributions and those who put together the lunch and snack packs. We had a beautiful day at Ononda Park in Canandaigua and the kids thoroughly enjoyed the park and the water. The kids and volunteers really appreciated all sandwiches and snack options. We made 80 sandwiches and they were all \*gone\* by the time the kids went home on the bus. I was so glad that we had extra to give those who wanted another sandwich. They loved all the snacks and juice boxes and Dottie was able to take the extras to use throughout the week. Thank you for your generosity!

*“I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another.”*

*John 13:34*

Have you seen our new weekly **eNews** in your email?! We have begun to use the *Mailchimp* platform to send out a weekly email on Thursdays, that keeps you up-to-date with everything that is happening in the church community that week. Included each week is the materials for Sunday worship, sign-up link for worship volunteers through *SignUp Genius*, upcoming events calendar, and other important information. Please check your spam/promotions/other folders in your email if you are not receiving the eNews in your inbox. You can also find Sunday worship materials and the eNews right on the website under the News tab, “Weekly Bulletins & eNews”, if that is easier for you.

As always, if you need anything from the office, email me at [office@victorpres.org](mailto:office@victorpres.org). I do check the email each day and will get back to you right away. You can also call the church office at 585-924-2289 during regular office hours or leave a message.
