

Victor-Farmington Food Cupboard Thanksgiving Baskets

September 12, 2022

The Victor-Farmington Food Cupboard serves over 650 families in the local community. The past several years have brought on new challenges and obstacles for every one of us, but for those in need the challenges of providing for their family has been especially difficult. Last year the Food Cupboard was proud to provide 600 Thanksgiving Baskets to families in need through the support of the local Victor, Farmington, and Canandaigua Community. Sadly, we continue to see a greater need due to the continued effects of the pandemic changing economic pressures and are asking for your support for this year's program.

Given the purchasing power benefits that we enjoy through Foodlink and other mass distribution channels, please consider a monetary donation, all of which will go towards purchasing holiday food. For \$55 we will be able to provide a Thanksgiving Basket that will include many of the items we all enjoy at our own holiday tables. We are not able to use any daily operating funds from the Food Cupboard to help with this project, so we are again relying on the support of the local business and family community.

Our Thanksgiving distribution this year will take place on **Thursday November 17th**. To plan appropriately and ensure that we will be able to provide for every family, we would appreciate your consideration and response no later than **November 1st**.
